

PARA-TEX C

COLORED ARAMID BRAID

PRODUCT DESCRIPTION

Para-Tex C braided aramid sleeving guards hoses, tubing, wires, cables, and other critical systems from thermal, abrasion, mechanical wear, and cut-through hazards in the most rugged & demanding applications. Para-Tex C sleeving is manufactured with genuine DuPont™ Kevlar®.

Para-Tex C sleeving is unaffected by fresh & salt water, oils, lubricants, fuels, solvents, and most common industrial and automotive fluids, and is suitable for use across a wide range of operating temperatures. Para-Tex C will not melt, burn, or support combustion. The braided construction of Para-Tex C provides 100% system coverage, remains flexible across the operating temperature range, conforms to bends and irregular shapes, and expands for easy installation over long runs or over existing fittings and connectors. High-visibility colors identify lines, alert operators to hazards, provide wear indication, and show off recognized brand colors.

Applications for Para-Tex C include hose protection, cable & wire jacketing, tube reinforcement, color-coding, multiple line bundling, thermal insulation, and high-temperature abrasion protection.

Sleeve ID		Part Number
1/4"	6mm	KS04200-##
3/8"	10mm	KS06200-##
1/2"	13mm	KS08200-##
3/4"	19mm	KS12200-##
1"	25mm	KS16200-##
1-1/4"	32mm	KS20200-##
1-1/2"	38mm	KS24200-##
1-3/4"	44mm	KS28200-##
2"	51mm	KS32200-##
2-1/2"	64mm	KS40200-##
3"	76mm	KS48200-##
3-1/2"	89mm	KS56200-##
4"	102mm	KS64200-##

Color Codes
 Replace "-##" in part number with color code:

-15	Safety Orange	
-30	Black	
-60	Blue	
-70	Red	
-80	Green	

DuPont™ and Kevlar® are trademarks or registered trademarks of E.I. du Pont de Nemours and Company.

WORKING TEMPERATURE
CONTINUOUS: 320°F / 160°C
MAXIMUM: 570°F / 300°C
MINIMUM: -320°F / -195°C

ACCREDITATIONS

- REACh & RoHS Compliant
- Made in USA

MATERIAL COMPOSITION

- Made with DuPont™ Kevlar®
- Expandable braided construction
- Non-irritating aramid fiber
- Lightweight & high strength
- Polymer surface colorant

AVAILABILITY

- 1/4" thru 4" ID sleeve sizes
- Supplied 100 ft. per standard box
- Bulk lengths available to minimize scrap generation during assembly
- Pre-cut short lengths
- 5 bold colors available

ADDED VALUE

- Spooling & custom packaging

PLEASE NOTE

- Avoid direct exposure to sunlight
- Sleeve will discolor in fluorescent light with no performance impact
