

PYROTHERM FG TAPE

WOVEN FIBERGLASS TAPE

WORKING TEMPERATURE

CONTINUOUS: 1200°F / 650°C

MINIMUM: -94°F / -70°C

SHORT TERM: 1300°F / 705°C

ACCREDITATIONS

- REACh & RoHS Compliant
- Made in USA

MATERIAL COMPOSITION

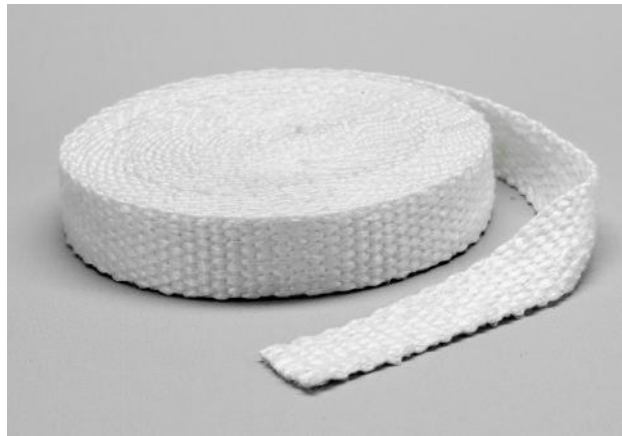

- Highly texturized E-Glass fiber
- Woven tape construction

AVAILABILITY

- 1/16" and 1/8" thicknesses
- 1/2" thru 6" widths
- 100 ft. per standard roll
- Stock product for fast shipping

ADDED VALUE

- Drop-warp construction available
- Adhesive-backing available
- Heat-cleaned tape available
- Tadpole gasket fabrication

PRODUCT DESCRIPTION

Pyrotherm FG Tape is a non-combustible, high-temperature tape designed to insulate and protect all types of hoses, pipes, tubes, and cables facing thermal hazards. Manufactured in the USA from texturized fiberglass, Pyrotherm FG Tape withstands continuous exposure to elevated temperatures and is resistant to common industrial fluids, including hydraulic oil, fuels, solvents, fresh & salt water, and most acids & bases.

The flexible and versatile woven tape construction allows Pyrotherm FG Tape to be easily installed around existing systems, wrapped around elbows and irregular profiles, and applied to systems with a large diameter. Pyrotherm FG Tape is used in many industries and applications, including pipe lagging, door seals, exhaust wrap, and hose & cable protection.

For specific and demanding applications, Pyrotherm FG Tape can be customized with drop warp (ladder tape) construction, adhesive backing, and heat cleaning. Pyrotherm FG Tape can also be fabricated to produce tadpole-style gaskets. Contact Atlantex to learn more.

1/16" THICKNESS PYROTHERM FG TAPE		
Tape Width		Part Number
1/2"	13mm	FGT080625
1"	25mm	FGT160625
1-1/2"	38mm	FGT240625
2"	51mm	FGT320625
2-1/2"	64mm	FGT400625
3"	76mm	FGT480625
3-1/2"	89mm	FGT560625
4"	102mm	FGT640625
5"	127mm	FGT800625
6"	152mm	FGT960625
1/8" THICKNESS PYROTHERM FG TAPE		
Tape Width		Part Number
1/2"	13mm	FGT08125
1"	25mm	FGT16125
1-1/2"	38mm	FGT24125
2"	51mm	FGT32125
2-1/2"	64mm	FGT40125
3"	76mm	FGT48125
3-1/2"	89mm	FGT56125
